Prepositions review fill in with the words in the box

I know your eyes..... the morning sun  
I feel you touch me .....the pouring rain  
And the moment that you wander far .....  
me  
I wanna feel you ..... my arms again

And you come to me ..... a summer breeze  
Keep me warm ..... your love and then softly  
leave  
And it's me you need .....show

Chorus:

How deep is your love  
I really need to learn  
Cause were living in a world .....fools  
Breaking us .....  
When they all should let us be  
We belong ..... you and me

I believe..... you  
You know the door ..... my very soul  
You're the light..... my deepest darkest  
hour  
You're my saviour when I fall  
And you may not think  
I care ..... you  
When you know down inside  
That I really do  
And it's me you need .....show
