

The Weeknd - Sacrifice

I was born in a city
Where the winter nights don't ever -----
So this life's always with me
The ice inside my veins will never bleed

My, ooh
My, ooh

Uh, every time you try to ----- me
I know you'll never find that missing piece
When you cry and say you miss me
I'll lie and tell you that I'll never leave

But I ----- (sacrificed)
Your love for more of the night (of the night)
I try to put up a fight (up a fight)
Can't tie me down (down)

I don't wanna sacrifice
For your love, I try
I don't wanna sacrifice
But I love my time

My, ooh
My, ooh

I hold you through the ----- parts
When you feel like it's the end
'Cause life is still worth living
Yeah, this life is still worth living
I can break you down and -----
And fuck like we are friends
But don't be catching feelings
Don't be out here catching feelings 'cause

I sacrificed (sacrificed)
Your love for more of the night (of the night)
I try to put up a fight (up a fight)
Can't tie me down (down, down)

I don't wanna sacrifice
For your love, I try
I don't wanna sacrifice
But I love my time

I don't wanna sacrifice
For your love, I try
I don't wanna sacrifice
But I love my time (my, ooh)

Oh, baby
I hope you know that I, I -----
Oh, baby (baby)
I hope you know I love my time, oh

I don't wanna sacrifice
I don't wanna (woo), I try (hey)
I don't wanna sacrifice
But I love my, my time

My, ooh
My, ooh
