READING

Exercise 4. Read the text. Choose *True, False* or *NS* (not stated). (25pts)

MY FAVORITE STORE

My favorite store is a big bookstore in my town. It sells many different things. There are lots of great books there. Some are expensive and some are cheap. They have great history books, but my favorites are the books about technology. I buy books there for my courses at college. The books are cheap for students. There is a 50% discount with a student ID card. Do you like art? You can buy paint brushes and paper there, too. There are lots of books about art.

I love the coffee shop here, too. It's a great place to meet friends. When I buy a book, I always go for a coffee after. They make great coffee, or you can have tea or juice. They also sell sandwiches, salads and cakes. I like the chocolate cakes. The coffee shop is not expensive and there's a discount for students here, too.
