Top tips for writers

None of us find writing easy. When you can't see the person who you're talking to, (**29**) ..... is much more difficult. You have to be (**30**) ..... to communicate your message clearly, but how do you do that? The first thing you must think about is who you're writing to. Then you can make a (**31**) ..... about how formal it should be. A letter to a friend is more like (**32**) ..... English, so your (**33**) ..... should be in your writing, while a letter to a hotel manager is formal. You also need to think about what kind of thing you're writing. The language in a story, for example, should be (**34**) ..... , but the language in a report or an article should be much more (**35**) ..... . When you're writing a formal essay giving your opinion, make sure the (**36**) ..... gives a general idea of the subject. Later, in the (**37**) ..... , you should summarise your opinion. Each time you write, you have to make (**38**) ..... about what you're going to do. If you do that right, then there's nothing to stop you becoming a good writer!
