

Food Chains

For each food chain below, label the role of the organisms at each level.

Terrestrial Food Chain

| | | | | |
|--|--|--|--|--|
| | | | | |
|--|--|--|--|--|

| Primary Consumer | Tertiary Consumer | Producer | Quaternary Consumer | Secondary Consumer |
|------------------|-------------------|----------|---------------------|--------------------|
|------------------|-------------------|----------|---------------------|--------------------|

Aquatic Food Chain

| | | | | |
|--|--|--|--|--|
| | | | | |
|--|--|--|--|--|

| Primary Consumer | Tertiary Consumer | Producer | Quaternary Consumer | Secondary Consumer |
|------------------|-------------------|----------|---------------------|--------------------|
|------------------|-------------------|----------|---------------------|--------------------|
