

Here I, this is me

There's nowhere else on earth I'd rather be

Here I....., it's just me and you

Tonight we make our dreams come true

.....a new world, a new start

..... alive with the beating of young hearts

..... a new day, it's a new plan

I've been waiting for you

Here I

Here we, we've just begun

And after all this time, our time has come

Yeah here we, still going strong

Right here in the place where we belong
