

Relación entre suma y resta

Completa las sumas y las restas:

A number bond with five boxes. The first four boxes are grouped by a bracket labeled '4', and the last box is labeled '1'. An arrow points to a set of four equations:

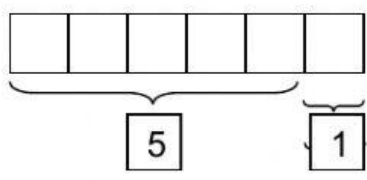

$$\begin{array}{rclcl} \square & + & \square & = & 5 \\ \square & + & \square & = & 5 \\ 5 & - & \square & = & \square \\ 5 & - & \square & = & \square \end{array}$$

A number bond with five boxes. The first three boxes are grouped by a bracket labeled '3', and the last two boxes are labeled '2'. An arrow points to a set of four equations:

$$\begin{array}{rclcl} \square & + & \square & = & 5 \\ \square & + & \square & = & 5 \\ 5 & - & \square & = & \square \\ 5 & - & \square & = & \square \end{array}$$
