

Drag the words on the left to match the correct item on the right.

Part I

**like terms**

“The answer”

**simplify**

$$2p + 5s - 3p = 108$$

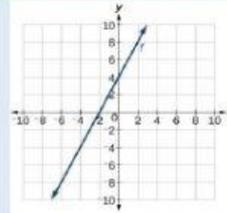

**linear graph**

$$3(2x + y) = 9$$

$$2x + y = 3$$

**solution**

Part II

**expression**

$$3(2x + y) = 9$$

**variables**

$$2x + y = 9$$

**equation**

$$3(2x + y) = 9$$

**terms**

$$3(2x + y) = 9$$

**brackets**

$$3(2x + y) = 9$$
