

ADDAMS FAMILY

The Addams family is a strange family.
They live in a dark mansion near the cemetery.
The members are: dad Gomez, mom Morticia, two sons Pugsley and Wednesday, uncle Fester, Grandmama, butler Lurch and the Thing.

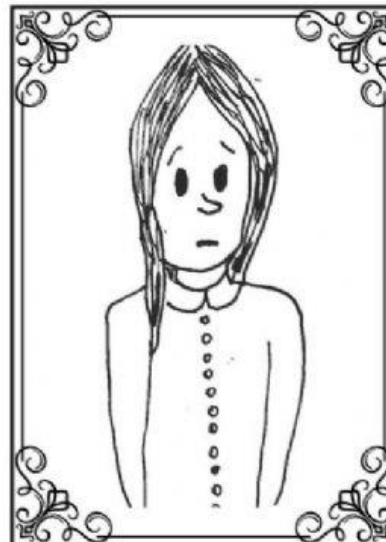

Dad Gomez has a thin black mustache and always dresses elegantly. He loves cigars and blows up electric trains.

Mom Morticia is very pale and elegant. She grows roses and lights candles with her fingertips.

Pugsley is the eldest son and is a pestiferous child. He makes toy guillotines and small coffins.

Wednesday is a very serious child. She plays with headless dolls and is very strong.
