.....am your mother

..... listen to me

Stop all that mansplainin', no one's listening

Tell me, who gave ..... the permission to speak?

Mis-Mis-Mister big boy, pulling up in ..... big toy

Sayin' all that blah-blah-blah, makin' all that big noise

'Cause you're so frustrated, emasculated

'Cause ..... got your shit called out by this little lady

Yet..... opinion's so strong

Even when you're wrong

Bet that feels like power to .....

Must've forgot who you're talkin' to

.....just a, bum-bum-bum, bum-bum-bum

Y'all need a masterclass from my man

Learn how to satisfy like ..... can

Ain't tryna control me and own.....

Like an old man on C-SPAN

Bet you wish ..... could wife this

Stay mad, that's priceless

..... with your god complex

But you can't even make life, bitch

You might also like

yet ..... opinion's so strong

Even when you're wrong

Bet that feels like power to .....

Must've forgot who you're talkin' to
