Evening, every night you .....and you find me

Why must you.....remind me, that my baby's gone

Evening, you got me deeper in your power

Every .....seems just like an hour

Since my baby's gone

Shadows .....upon the wall

That's the time I miss your .....most of all

Even though I try, how can I go on

Oh evening, let me .....till the glow of dawn is breaking

I don't care if I don't awaken
