So no one ..... you life was gonna be this way

Your job's a joke, you're broke

Your ..... life's DOA

It's like you're ..... stuck in second gear

When it hasn't been your ....., your week, your month

Or even your year, but

I'll be there for you

(When the ..... starts to pour)

I'll be there for you

(Like I've been ..... before)

I'll be there for you

('Cause you're ..... for me too)

You're still in bed at ten

And work .....at eight

You've burned your .....

So far, things are going great

Your ..... warned you there'd be days like these

But she didn't tell you when the ..... has brought

No one could ever ..... me

No one could ever ..... me

Seems you're the .....one who knows

What it's like to be me

Someone to .....the day with

Make it through all the rest with

Someone I'll always laugh with

Even at my worst, I'm .....with you, yeah
