When the ..... temperature rises

And the meaning is oh so clear

One thousand and one ..... daffodils

Begin to dance in front of you, oh dear

Are they trying to ..... you something?

You're missing that one ..... screw

You're ..... not in the pink my dear

To be honest you haven't got a clue

I'm going slightly mad

It ..... happened, I'm slightly mad

I'm one card short of a full deck

I'm not ..... the shilling

One wave ..... of a shipwreck

I'm not my usual top billing

I'm .....down with a fever

I'm ..... out to sea

This kettle is boiling over

I think I'm a ..... tree

I'm knitting with only one needle

Unraveling ..... it's true

I'm .....only three wheels these days

But my dear, how about you?
