I'm the invisible man

Incredible how you .....

See ..... through me

When you hear a .....

That you just can't place

Feel somethin' .....

That you just can't trace

When something .....

On the end of your .....

Don't turn around

When you hear me tread

Now I'm in your .....

And I'm in your .....

And I'm in your .....

And I'm in your.....

Like the CIA or the FBI

You'll never get .....

Never take me alive

Never had a real ..... friend

Not a boy or a girl

No one ..... what I've been through

Let my flag unfurl

So I .....my mark from the edge of the world

Now I'm on your track

And I'm in your mind

And I'm on your .....

Don't you ..... behind

I'm your meanest thought

I'm your darkest fear

But I'll ..... get caught

Can't shake me, shake me, dear
