Yeah, yeah

Baby, please try to ..... me

Stay here don't..... out the glow

Hold me.....don't bother

If every minute it ..... me weaker

You can save me from the man that I've ....., oh yeah

Looking back on the things I've .....

I was ..... to be someone

I ..... my part, kept you in the dark

Now let me show you the shape of my heart

Sadness is ....., loneliness that's tragical

So help me I can't win this ....., oh no

Touch me ....., don't bother

If every second it ..... me weaker

I'm here with my confession

Got ..... to hide, no more

I don't know where to .....

But to show you the shape of my heart
