

Yeah, yeah

Baby, please try to me

Stay here don't..... out the glow

Hold me.....don't bother

If every minute it me weaker

You can save me from the man that I've, oh yeah

Looking back on the things I've

I was to be someone

I my part, kept you in the dark

Now let me show you the shape of my heart

Sadness is, loneliness that's tragical

So help me I can't win this, oh no

Touch me, don't bother

If every second it me weaker

I'm here with my confession

Got to hide, no more

I don't know where to

But to show you the shape of my heart
