

I remember when we broke up the first time

Saying this is it, I've had enough, 'cause like
We haven't seen each other in a month
When you, said you, needed space, what?
Then you come around again and say
Baby, I miss you and I swear I'm gonna change
Trust me, remember how that lasted for a day
I say, I hate you, we break up, you call me, I love you

Oooh we called it off again last night
But Oooh, this time I _____ you, I
_____ you
We are never ever ever _____ back together
We are never ever ever _____ back together
You go talk to your friends talk
To my friends talk to me
But we are never ever ever ever getting back together
Like ever...

I'm really gonna miss you picking fights
And me _____ for a screaming that I'm right
And you, will hide away and find your piece of mind with some indie record that's
much cooler than mine

Oooh you called me up again tonight
But Oooh, this time I _____ you, I _____ you
We are never ever ever _____ back together
We are never ever ever _____ back together
You go talk to your friends talk

To my friends talk to me

But we are never ever ever ever getting back together

I used to think, that we, were forever ever ever

And I used to say never say never

Huh, he calls me up and he's like, I still love you

And I'm like, I'm just, I mean this is exhausting, you know

We are never getting back together, like ever

We, oooh, oooh, not back together, we

Oh, getting back together

You go talk to your friends talk

And my friends talk to me

But we are never ever ever ever getting back together
