

## Day 1.

I am d\_\_\_\_\_ tired   this nonsense.

I can't listen to your \_\_\_\_\_ ideas. Let's talk about something else.

I can't stand talking to you when you're tired and \_\_\_\_\_.  
I'll talk to you when you are sober.

## Day 2.

Success needs hard work. \_\_\_\_\_ success is a fairy tale.  
It's not like that in the real world.

When you buy bonds (облигации), you don't have  
access to your money.

## Day 3.

I feel        fool.

You don't                    35. How old are you?

It seems to \_\_\_\_\_ a hotel.

## Day 4.

It makes me wonder why they are still friends?

Your love makes my life complete.

## Day 5.

I've \_\_\_\_\_ enough. I'm leaving.

Enough \_\_\_\_\_ . I've been smoking for 15 years but now it's time to quit.
