

Nombre: \_\_\_\_\_

## 1. Escribe las vocales que hacen falta para completar las palabras.

|                                                                                               |                                                                                                   |                                                                                             |                                                                                             |
|-----------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| <br>l _ ch _ | <br>r _ l _ j    | <br>fl _ r | <br>l _ na |
| <br>l _ br _ | <br>m _ ch _ l _ | <br>l _ pa | <br>dad _  |

## 2. Selecciona las imágenes que corresponde para cada vocal.

|   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |   |                                                                                   |                                                                                   |                                                                                   |
|---|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|
| E |  |  |  |  | O |  |  |  |
| I |  |  |  |  | U |  |  |  |

## 3. Observa la imagen, separa en sílabas y selecciona el numeral que corresponde.

|                                                                                                       |                                                                                                           |                                                                                                      |                                                                                                       |                                                                                                        |
|-------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| <br>abeja<br>2 3 4   | <br>computadora<br>5 4 6 | <br>banana<br>4 5 3 | <br>balde<br>1 2 3   | <br>muñeca<br>4 2 3   |
| <br>caracol<br>3 2 4 | <br>motocicleta<br>6 5 7 | <br>vaso<br>1 2 3   | <br>bandera<br>5 4 3 | <br>chaqueta<br>3 5 4 |

## 4. Cuenta los bichos y une al numeral que le corresponda.

|                                                                                   |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |   |  |  |  |
| ●                                                                                 | ●                                                                                   | ●                                                                                   | ●                                                                                   | ●                                                                                   |
|  |  |  |  |  |

## 5. Cuenta cuantos hay en cada fila y escribe el número.

|                                                                                    |                      |                                                                                     |                      |
|------------------------------------------------------------------------------------|----------------------|-------------------------------------------------------------------------------------|----------------------|
|  | <input type="text"/> |  | <input type="text"/> |
|  | <input type="text"/> |  | <input type="text"/> |

## 6. Escribe los números que van antes y después.

|                         |                                                                                     |    |                      |                         |                                                                                     |    |                      |
|-------------------------|-------------------------------------------------------------------------------------|----|----------------------|-------------------------|-------------------------------------------------------------------------------------|----|----------------------|
| <input type="text"/> -1 |   | +1 | <input type="text"/> | <input type="text"/> -1 |  | +1 | <input type="text"/> |
| <input type="text"/> -1 |  | +1 | <input type="text"/> |                         |                                                                                     |    |                      |
