Subject: End-of-year project

Dear Class,

For our end-of-year project I'd like you to write about the important people in your lives and how you spend time with them.

What different groups of people do you often spend time with? Think about your family, close friends and members of a sports team or a club.

Which group do you like being with the most? Why?

It would be great to present your projects to the school. Would you prefer to prepare a poster or write an article on the school blog?
