vocabulary

1 Watch, listen and enjoy.

2 Listen and put the verbs in brackets in the correct form

Baby really hurt me
Crying in the taxi
He don't wanna know me
Says he (make) the big mistake of dancing in my storm
Says it (be) poison
So I guess I (go) home
Into the arms of the girl that I love
The only love I (screw up)
She's so hard to please
But she's a forest fire
I do my best to meet her demands
Play at romance, we slow dance
In the living room, but all that a stranger would see
Is one girl swaying alone
Stroking her cheek

3 Listen, choose the right option

They say, "You're a little many / much for me
You're a liability / loyalty
You're a little / a little bit much for me"
So they push / pull back, make other plans
I understand, I'm a liability
Get you wild, make you live / leave
I'm a little much for
E-a-na-na-na, everyone

4 Listen and fill in the gaps

The truth is I toy
people enjoy
'Til all tricks don't work anymore
And then they are bored me
I know that exciting
Running through the night, but

Eating me alive until gone
