**READING**

Read the passage and choose the best option to respond to each question.

**My Day**

Hi, my name is Joshua. I am a financial adviser. Yesterday I had a very busy day. I woke up at half past six. Waking up was so hard that I needed to wash my face with cold water to open my eyes. Then I went to the kitchen and had a cup of coffee and toast for breakfast. I brushed my teeth, took the trash out, ironed my clothes, and finally, I got dressed and left home around seven o'clock. I got on the bus at half past seven to downtown. I arrived at work at ten to eight. I needed to finish up six reports before noon. At twelve o'clock, I had half an hour lunch with my colleagues. After lunch, we had a meeting until two o'clock. Then I visited one of my clients at three o'clock to talk about his financial plans. I came back to work at around four o'clock and prepared three more reports. Finally, at six, I was able to leave my office and I was exhausted by the time I got home.
