

LATIHAN

1. Tariklah tulisan lapisan atmosfer sesuai dengan gambar!

The diagram shows a cross-section of the Earth's atmosphere with five distinct layers, each represented by a different shade of gray. The layers are stacked vertically, with the lightest shade at the bottom and the darkest at the top. The bottom layer is labeled 'Bumi' (Earth) in a teal color. To the right of the diagram, there are five empty rectangular boxes for labeling the layers.
