Breakfast habits	X
Britney, 13	
The traditional English breakfast, or the 'full English', with fried eggs and sausages, bacon, tomatoes, beans and toast, is still very popular in England. But in my family we only eat it at weekends because during the week there isn't enough time to prepare it. So, during the week we just have toast and jam, or cereal.	
Henry, 12	
It's a little strange that here, in France, we like to have lots of different foods for dinner, but our breakfasts are very simple. My mum and dad usually have toast with jam or butter, or a croissant with espresso coffee, which is a very typical French breakfast. For me, that's not enough for my day at school, so I get cheese or ham sandwiches instead.
