

الْغُرَابُ وَالْجَرَّةُ

Match the sentence in Arabic with its meaning in English:

On a hot summer day, The crow thirsted a lot.		نَظَرَ حَوْلَهُ فَوَجَدَ حِجَارَةً صَغِيرَةً
The crow searched for the water		فَكَّرَ طَوِيلًا، كَيْفَ يَصِلُ إِلَى الْمَاءِ
And after a long search, he found a jar with a little water in it.		فَرِحَ الْغُرَابُ ، وَشَرِبَ حَتَّى ارْتَوَى
He tried to reach the water with his beak, but he could not		رَمَى الْغُرَابُ الْحِجَارَةَ فِي الْجَرَّةِ
He thought for a long time how he got to the water		فِي يَوْمٍ صَيْفِيٍّ حَارٍّ ، عَطِشَ الْغُرَابُ كَثِيرًا
He looked around him and found a small stone		ارْتَفَعَ الْمَاءُ إِلَى أَعْلَى
The crow threw the stones into the jar		حَاوَلَ أَنْ يَصِلَ إِلَى الْمَاءِ بِمِنْقَارِهِ ، فَلَمْ يَقْدِرْ
The water rose up high		بَحَثَ الْغُرَابُ عَنِ الْمَاءِ
So the crow rejoiced, and drank until it was satisfied		وَبَعْدَ بَحْثٍ طَوِيلٍ ، وَجَدَ جَرَّةً فِيهَا مَاءً قَلِيلًا
