10 th December	17 th December	3 rd and 4 th December
the show	the event	people

Concerning the date and time for the show, perhaps we can hold it

on 10th December at 6 pm because it falls on a weekend.

This allows more people to attend without work conflicts.

For the date and time for the show, I suggest 17th December at 7

pm because it is close to the holiday season. People are more

relaxed, so they will enjoy the performances.

Regarding the date of the event, I suggest that we schedule it for

3rd or 4th December as these dates are early in the month. It will

give us enough time to plan and promote the event effectively.
