Extra Training

Listening Task 2633

You will hear five people talking about the environment.
Listen and match the sentences (1-6) to the speakers (A-E). **One sentence is extra!**

1. Taking care of the area around you is a good start.
2. Factories cause most environmental problems.
3. By doing something little, you can help a lot.
4. Helping the environment is expensive.
5. I don't have time to help the environment.
6. There's nowhere to recycle near my house.
