

I'm Still Standing

Listen to the song and choose the correct answer.

You can **never** **you** know what it's like
Your blood like a **just** **winter** freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that **wind**
mask you use

And did you think this fool could never win?
Well look at me, I'm coming **back** **look** again
I got a taste of **love** **way** in a simple way
And if you need to know while I'm still standing you just fade away

Don't you know I'm **ever** **still** standing
better than I ever **do** **did**
Looking like a true survivor, feeling like a little kid
I'm still standing **after** **later** all this time
Picking up the pieces of my life without you on my mind
I'm still **standing** **stand**, yeah, yeah, yeah
I'm still **standing** **stand**, yeah, yeah, yeah

I'm Still Standing

Once I never could hope to win
You **starting** **start** down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus, you'd be a **clown** **clown** by now

Don't you know I'm still standing **don't** **better** than I ever did
Looking like a true **survivor** **like**, feeling like a little kid
I'm still standing after all this **time** **these**
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah

Don't you know I'm still standing **than** **better** than I ever did
Looking like a true **survivor** **like**, feeling like a little kid
I'm still standing after all this time,
I'm **picked** **picking** up the pieces of my life without you on my mind

I'm **still** **steal** standing, yeah, yeah, yeah
I'm still **stood** **standing**, yeah, yeah, yeah
I'm **still** **steal** standing, yeah, yeah, yeah
I'm still **stood** **standing**, yeah, yeah, yeah
