

SAVE YOUR TEARS – LEVEL: INTERMEDIATE

I saw you in a crowded room
You look so when I'm not with you
But then you saw me, caught you by
A single teardrop falling from your eye

I don't know I run away
I'll make you cry when I run away

You could've asked me I broke your heart
You could've me that you fell apart
But you walked past me like I wasn't
And pretended like you Care

I don't know I run away
I'll make you cry when I run away

..... me back 'cause I wanna stay
Save your tears for another
Save your tears for another day
Save your tears for another day

So, I made you think that I always stay
I said some things that I should never say
Yeah, I your heart like did to mine
And now you won't me for a second time

I don't know I run away, oh, girl
Said I'll make you cry when I run away

Girl, me back 'cause I wanna stay
Save your tears for another
I realize that I'm too late
And you someone better
Save your tears for another day (ooh, yeah)
Save your tears for another day (yeah)
