Open your \_\_\_\_\_

**TOGETHER**

Open your mind

We are the Winx

**WORLD**

Winx, if your \_\_\_\_\_ is holding mine,

**HAND**

We can fly through \_\_\_\_\_ and time

And together we'll be sure-fire winners

**SPACE**

Winx, with a smile you can enchant

You light up our \_\_\_\_\_

**EYES**

We'll fly the moonlit sky \_\_\_\_\_

Open your eyes

Open your mind

We are the Winx

It's a magic night,

**JOIN**

the \_\_\_\_\_ is all blazing!

New adventures, are calling for us!

**SKY**

\_\_\_\_\_ the Winx!

We can \_\_\_\_\_ a cloud,

**COLOUR**

no time for hesitating!

Bring \_\_\_\_\_ to the world,

with your imagination

**RIDE**

Winx Club forever and ever!

Winx! If your \_\_\_\_\_ is holding mine,

we can fly through space and time!

And together we'll be sure-fire winners!

Winx! With a \_\_\_\_\_ you can enchant,

you'll light up our world!

We'll fly the moonlight sky \_\_\_\_\_!
