At the top of the refrigerator is the ----- .

The freezer keeps things frozen.

We have frozen vegetables, ice cream and ice cubes in the freezer.

We have a ----- in the kitchen.

You put the bread in the toaster, and it turns into toast.

We have an electric kettle.

We boil water to make tea in the ----- .

There is a double sink in the kitchen.

That is where we wash the dishes.

We turn on the hot tap, and put some dish detergent into the sink to wash the dishes.

Sometimes we put the dishes into the dishwasher,

and the dishwasher washes the dishes.

There are other things in the kitchen.

There are utensils like ----- , forks and spoons.

There are tea towels and dish cloths.

There are oven ----- and pot holders to take hot things out of the oven.

There are pots to cook and boil things in.

There are pans to fry things.

We have dishes that we eat from.

We have plates for our dinner, and bowls that we can put our soup in.

We drink from cups or coffee ----- or glasses

We keep our juice in a pitcher or a jug.

There is a timer that you can set when you are cooking.

The timer buzzes when the food is ready.

We also have a ----- oven in the kitchen.

If we are in a hurry, we cook our food in the microwave.

49.

Here are some questions that you might be asked.

And some ----- that you might make.

Hello, how are you today?

I am fine, thanks! How are you?

It is a beautiful day today, isn't it?

Yes, it is a lovely day.

I wish the weather would clear up, don't you?

Yes, I'm getting ----- of all this rain.

How old are you?  
 I am 12 years old.  
 Where are you going?  
 I am going to my friend's house.

Some people have no hair at all.

No two people are ----- .

Some people have long legs.

I have short legs.

I don't walk as fast as a person with long legs.

I am not a tall person. In fact, I am quite short.

My feet are a size seven.

My mother has size five feet.

My father has size twelve feet.

We are all different sizes.

It is not a bad thing.

It is a good thing that we are all ----- .

55.

When you go to a restaurant you might see a ----- that says,

"Please wait to be seated".

A host or hostess will ask you how many people are in your party.

Then they will want to know if you want to sit in the smoking or non-smoking section.

The host or ----- will take you to your seat.

You might sit at a table or at a booth.

The host or hostess will give you a menu to look at.

Sometimes, there are different ----- for different meals.

There can be a breakfast menu, a lunch menu and a dinner menu.

Sometimes, there is also a wine list and a dessert menu.

The food and the prices of the food are listed on the menu.

On your table, there will be cutlery.

Cutlery is the knives, ----- and spoons.

There will also be a napkin.

You are supposed to put your napkin on your lap when you eat.

Your waiter or waitress will take your order.

You might want an ----- before your meal.

Some people want a salad or soup before their meal.

After your meal, you might have a ----- , or tea, or coffee.

When it is time to go, you will pay your bill and leave a tip for the waiter or waitress.

56.

Traffic moves along on the streets and ----- .

There are rules that drivers must follow to make the traffic flow smoothly.

You must wear a seatbelt.

The ----- helps to keep you safe.

You must stop at all stop signs.

You must also stop at a red light.

A green light means go,

and a yellow light means to be careful.

If you see a sign that says school crossing,  
you have to be careful because you are near a school,  
and children might be ----- the street.

Some places are crosswalks.

Those are places where people cross the street.

People who are walking have the right of way.

If you hear a siren behind you, you must pull over.

An emergency vehicle like a police car or an ----- might need to get somewhere fast.

When a school bus puts on its flashing signals, you have to stop.

You can't go past the school bus because children may be crossing the street from the bus.

You should always obey the speed ----- .

It is not good to drive too fast.

People should never drink and drive.

Driving is a ----- business.

You have to obey all the rules to be a good driver.

57.

If you were in an orchestra, what would you play?

Would you play a tuba, a ----- or a saxophone?

Perhaps you would prefer a stringed instrument like a violin or a cello.

Maybe you would enjoy ----- more.

You could play the kettledrum.

There are instruments that have keyboards.

A piano and an organ have keyboards.

There are instruments that have ----- on them.

A guitar, banjo and mandolin have strings on them.

There are instruments that you blow into.

Each note represents a sound.  
There are whole notes, half notes, quarter notes and eighth ----- .  
Each one of these is held for a different number of beats.  
It is good to learn about music.  
You have to learn your ----- , and learn about sharps and flats.  
If you want to learn how to play an instrument,  
it's best to take music lessons.

58.

These are important words.

They're all words that begin questions.  
"Who" is about a person.  
Who is the girl with the blue dress on?  
Who ----- my watch?  
Who will come with me to the game?  
Who is driving us to the party?  
"What" is about a thing.  
What is that big thing on the sidewalk?  
What should I do when I get to your house?  
What kind of clothes should I wear to the party?  
What shall I buy you for your birthday?  
"Where" is about a place.  
Where are you going for your vacation?  
Where did I ----- my glasses?  
Where did my brother go?  
Where on earth is Timmins?  
"Why" is the word that asks for an ----- .  
Why did you take the last piece of pie?  
Why is the world round?  
Why should I give you any money?  
Why did the chicken cross the street?  
They say that you ----- answer all of these questions if you are writing a good story.  
You have to give the who, what, where and why to write a good story.

59.

Which ----- should I go in?

Should I go up?  
If I go up, I will head toward the sky.  
I can go up the stairs.  
Should I go down?  
I can go down the stairs to the ----- .  
I can climb down into a hole.  
Should I go left or right?  
I am right-handed, so I know which way right is.  
Should I go backwards?

I would be going away from the things that I am ----- now if I went backwards.  
If I went backwards from the thing that I am facing,  
I would go away from it.  
Should I go forward?  
I will just go straight ahead if I go forward.  
If I am facing something and I go forward,  
then I will go toward the thing that I am facing.  
Maybe I should go sideways,  
but which side, left or right?  
It sounds very ----- , but it is not.  
Directions are very easy to follow if you just stop and think about them.

60.

Some people work in an office. There are special tools that people in an office need to do their work. There is a computer in the office. There is a telephone.

Most of the time, the ----- answers the telephone.  
The secretary sits at a desk.
