I play bass guitar in a band and we practice every day in my friend's garage. I enjoy listening to different music genres, from pop to RnB. I learnt the acoustic guitar at school. I can compose music but I don't write the lyrics for the songs. Doing gigs with the band is my biggest thrill. Next month, we're going to a studio to record some of our songs. We're very excited about it.

Ae Ri from Korea

I love pop from the bottom of my heart. It really brings out so many great emotions in me. It's also a way for me to relax. Going to pop concerts is incredibly entertaining.
