

Midnight

You come and pick me up, no headlights

Long drive

Could end in burning flames or paradise

Fade into view, oh

It's been a while _____ I have even
heard from you (heard from you)

And I should just tell you to leave 'cause I

Know exactly where it leads, but I

Watch us go 'round and 'round each time

You got that James Dean daydream look in
your _____

And I got that red lip classic thing that you like

And when we go crashing down, we come
back every time

'Cause we never go out of _____, we
never go out of _____

You got that long _____, slicked back,
white _____

And I got that good girl faith and a tight little

And when we go crashing down, we come
back every time

'Cause we never go out of _____, we
never go out of _____

So it goes

He can't keep his wild _____s on the
road, mm

Takes me _____

The lights are off, he's taking off his
_____, mm, yeah

I say, "I heard, oh

That you've been out and about with some
other girl, some other girl"

He says, "What you heard is true, but I

Can't stop thinkin' 'bout you and I"

I said, "I've been there too a few times"

'Cause you got that James Dean daydream
look in your _____

And I got that red lip classic thing that you like

And when we go crashing down, we come
back every time

'Cause we never go out of _____, we
never go out of _____

You got that long _____, slicked back,
white _____

And I got that good girl faith and a tight little
_____ (a tight little _____)

And when we go crashing down, we come
back every time

'Cause we never go out of _____ (we
never go), we never go out of _____

Take me _____

Just take me _____

Yeah, just take me _____

Oh, whoa, oh

(Out of _____)

Oh, you got that James Dean daydream look
in your _____

And I got that red lip classic thing that you like

And when we go crashing down (now we go),
we come back every time

'Cause we never go out of _____, we
never go out of _____
