

## Comparison between Aerobic Respiration and Fermentation

| Similarities        |                       |
|---------------------|-----------------------|
| <div></div>         |                       |
| <div></div>         |                       |
| <div></div>         |                       |
| <div></div>         |                       |
| Differences         |                       |
| Aerobic Respiration | Anaerobic Respiration |
| <div></div>         | <div></div>           |
| <div></div>         | <div></div>           |
| <div></div>         | <div></div>           |
| <div></div>         | <div></div>           |
| <div></div>         | <div></div>           |
