## "Can't Stop Loving You"

So you're leaving in the morning on the early train  
I could say everything's alright  
And I could pretend and say goodbye  
Get your ticket  
Got your suitcase  
Got your leaving smile  
I could say that's the way it goes  
And I could pretend and you won't know  
That I was lying

'Cause I can't stop loving you  
No I can't stop loving you  
No I won't stop loving you  
Why should it?

We took a taxi to the station, not a word was said  
And I saw you walk across the road

For maybe the last time I (know)  
I heard a rumble  
I heard a rumble  
On the railway tracks  
And when I hear that whistle blow  
I'll walk away and you won't know  
That I was crying

'Cause I can't stop loving you  
No I can't stop loving you  
No I won't stop loving you  
Why should it?

And I'll always be by your side  
'Cause I never wanted to say goodbye  
And I'll always be here, be here if you change, change your mind

And I'll always be by your side  
And I never wanted to say goodbye  
And I'll always be here, be here if you change, change your mind

So you're leaving in the morning on the early train  
And I could say everything's alright  
I could pretend and say goodbye  
But that would be lying

'Cause I can't stop loving you  
No I can't stop loving you  
No I won't stop loving you  
Why should it?

And I'll always be by your side  
'Cause I never wanted to say goodbye  
And I'll always be here, be here if you change, change your mind

'Cause I can't stop  
I'll always be here by your side  
I never wanted to say goodbye  
I'll always be here if you change, change your mind

Why should it?  
Why should I even try?  
I'll always be here by your side  
I didn't wanna say goodbye  
So why should I even try?
