# Kenya

## 1 Read about **animals** in Kenya.

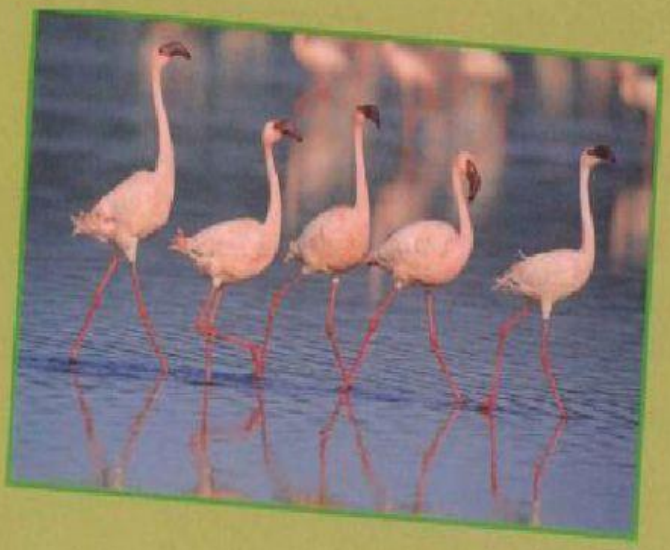

Kenya is famous for its animals. There are many different animals there. These are zebras. They're black and white. They are very similar to donkeys and horses.

Look at those giraffes! Wow! Their necks are long! Giraffes eat green leaves from trees for breakfast, lunch and dinner! They love leaves.

What are these? They're birds! Pink birds! And they are called pink flamingoes. They are very, very beautiful! Are there pink flamingoes in your country?

## 2 Read the sentences and write z (zebra), g (giraffe) or f (flamingo).

1 It's a bird. ☐ 2 It's black and white. ☐ 3 It has a long neck. ☐
