

## Unit 3 Lesson 5

1 Listen and point. Then say.

1 eagle

2 lizard

3 parrot

4 oranqutan

5 scorpion

6 bear

2 Look at Activity 1. Circle **True** or **False**.  
Then correct the false sentences.

- |   |              |
|---|--------------|
| 1 The eagle is more colorful than the parrot.     | True / False |
| 2 The bear is bigger than the orangutan.          | True / False |
| 3 The scorpion is more dangerous than the parrot. | True / False |
| 4 The lizard is longer than the scorpion.         | True / False |

3 Play a guessing game.

It's beautiful and it's colorful. It can fly and it can talk. What is it?

It's a parrot.
