If We Ever Broke Up by Mae Stephens

If you keep wondering if somebody _____
_____, I don't understand you
If you stay awake at night, waiting for _____
Baby, oh, your karma is due

Like, I _____ hate you, but only if you want to
So much time, like who knew? (Like who knew?)
Music we _____, songs we fell in love to
Boy, this feels so wrong too (ah-ah-ah)

If we ever broke up, I'd never be sad
_____ everything that we had, if we ever broke up
If we ever broke up, I'd call your dad
And tell him all the shittiest _____ you said, if we ever broke up

Boy, don't get emotional 'cause _____
It's just the way, just the way it goes
If we ever broke up, _____ sad
Thinking about _____ we had, if we ever broke up

You're living in wonderland if you think I'll understand
All the shit _____ through
If girls in white dresses and big Winter weddings
Is something you want _____

Then pack up your drama, _____ dilemma
Is something this shit _____
Like, I would never hate you, but only if you want to
So _____ like, who knew? Whoa-oh-oh

If we ever broke up, I'd never be sad
Thinking about everything that we had, if we ever broke up
If we ever broke up, _____ your dad
And tell him all the shittiest of things _____, if we ever broke up

Boy, don't get emotional 'cause it's _____
It's just the way, just the way it goes
If we ever broke up, I'd never be sad
Thinking _____that we had, if we ever broke up (ha-ha-ha)

would never
Darling
got into
Thinking about
of things
it's not personal
somebody right
understands
everything that
you put me
to be true
can't undo
this selfish
you've said
I'd never be
about
everything
not personal
I'd call
much time
