A. ROLE PLAY – STORY: PETS

Olivia Oh John! It's great to see you here!
John Hi Olivia! Is that your adorable dog?
Olivia Yep. Her name is Sophie.
John It's so cute. What type?
Olivia Poodle. Do you want to hold it?
John (freaking out) No! I'm good. I just like to watch it.
Olivia Haha. Are you scared of dogs? Sophie will never bite you.
John (freaking out) OHHHH. No thanks (sniff).
Olivia Alright~

John What's happening to her?
Olivia Wow, What an adorable kitty! It is lovely!
John Do you like a cat too?
Olivia Of course! I'm an animal lover. But I like dogs more than cats. Cats are clean and lovely, but they are too independent *(độc lập)*. So I prefer dogs more which are friendlier. What about you?
John I agree. Animals are lovely. Both dogs and cats. But that's not all.
Olivia What? What do you mean?
John Actually, I have an allergy *(dị ứng)*. ACHOO!
Olivia Oh, I'm so sorry! I see why!
John That's why, I like plants more than animals.
Olivia Plants? Like what?
John One of my favorite plants is the one that eats bugs! An insect eating plant! An insect eating plant opens its mouth and when a fly goes in, it closes its mouth.
Olivia No way John. You are lying, aren't you? I've never heard of it.
John If you can't believe it, come with me!
Olivia Oh really? Great!

QUESTIONS 14–18

For each question, choose the correct answer.

Jack Calder

Violin player Jack Calder plays in the Australian band, Ocean Blue.

Jack Calder started playing the violin when he was ten. 'My music teacher played and one day he asked if anyone wanted to learn. Some girls put up their hands and so did I. I didn't have a violin, but my uncle said I could use his. The lessons were really hard at first, but playing the violin soon became important to me.'

After leaving school, Jack moved to Melbourne. For a time, he preferred listening to music to playing it. The rock music he listened to sounded very different from violin music, so he bought an electric violin, and started putting the things he liked about rock music into the music he played on his violin.

A year later, Jack met a small group of Melbourne musicians. 'We all thought about music in the same way and started Ocean Blue together. A year later, we were playing lots of concerts, and our music was selling well. But we didn't want this to make us different people. We didn't want to stop being friends.'

Jack meets many people who think playing the violin is an unusual career, but he doesn't agree with them. 'I think it's the best thing in the world. I guess I'm lucky that way. The internet has changed music, but when I walk into a violin shop it's like entering another world – one where time has stopped. Someone has looked after these beautiful old instruments that are two or three hundred years old. I think that's amazing.'

QUESTIONS 14–18

For each question, choose the correct answer.

Joining a ballroom dancing club

By Pippa Cartwright

When I started college, I wanted to find a club to join. One of the first ones I looked at was ballroom dancing – a type of dance you do with a partner. The people there seemed to be having a great time, and it didn't cost much, so I decided to join.

The first week I went, I was really worried because the teacher told us that there were nineteen different dances we had to learn. But it's been fine. When there's a new thing to learn, he shows it to us lots of times and makes sure we're all good at it before we do the next thing.

When I joined, I didn't know any of the other people in the club because we all study different subjects. But it's been a great way to meet people, and I've made some of my best friends in the club.

One of the reasons we learn the dances is to enter competitions. I couldn't wait to do my first one. Before we started, I was a bit worried. But during the competition, my partner and I remembered everything about our dances. We were great. We didn't win any prizes, but it didn't matter – we loved it!

Joining the ballroom dancing club has been fantastic. In the past, I always did the same sports and activities, year after year, but ballroom dancing has taught me there's nothing scary about doing something you've never tried before. I still do lots of sports, but now I can add ballroom dancing to my list of hobbies.
