You will hear Sam talking to her friend Paul about a play.

B: Oh, what are you doing this year, Sam?
G: I'm helping with I want to make sure there'll be no mistakes.
B: You'll do great.

B: I see.
G: (22) Mary did great work as last year but **(22)** she is deciding what everyone's going to this time.
B: (23) Robert did that didn't he?
G: Yes, but **(23)** he's helping with now. We need some students to at the play.
B: Is **(24)** Ivanna helping, too?
G: Yes, **(24)** she's deciding on who's going to in the play.
B: Oh, will she be good at that? She last time.
G: Well, she says she likes this now.
B: Ok then, **(25)** so who's
G: I thought I was going to do that but, as I'm helping with the lights, **(25)** Diego is.
B: I guess I should get one from him then.
