Misunderstood – Bon Jovi

_____ I? _____ I?

Have said the wrong things right a _____ times

If I could just _____, I see it in my mind

If I could turn back time, you'd still be mine

You cried, I _____

I should have shut my mouth, things headed south

As the words slipped off my _____, they sounded _____

If this old heart could talk, it'd say you're the one

I'm _____ time

When I think about it

I _____ have drove all night

_____ have run all the lights, I was misunderstood

I stumbled like my words

Did the best I could, damn

Misunderstood

Could I? Should I?

Apologize for sleeping on the _____ that night

Staying out too late with all my friends

You found me _____ in the yard again

You _____, I tried

To stretch the truth, but didn't lie

It's not so bad

You think about it

I should have drove all night

Would have run all the lights, I was misunderstood

I _____ like my words

Did the best I could, damn

Misunderstood, intentions good

It's you and I

Just think about it

I should have drove all night

I would have run all the lights

I was misunderstood

I stumbled like my words, did the best I could

I'm hanging outside your _____

I've been here before, misunderstood

I stumbled like my words

Did the best I could, damn

Misunderstood, intentions good
