SONG FOR YOU!! LET'S COMPLETE THE FOLLOWING SONG AND PRACTICE ENGLISH

She will be loved Level Beginners

Beauty of only eighteen
She had trouble with herself
He was there to help her
She always belonged to someone else

I drove for miles and miles
And wound up at your
I've had you so times, but somehow
I want more

I don't mind spending day
Out on your corner, in the pouring
Look for the with the broken smile
Ask her if she to stay a while

And she will be loved
And she will be loved

Tap on my, knock on my door
I want to make you feel
I know I tend to get so insecure
It matter anymore

..... not always rainbows and butterflies
It's compromise moves us along, yeah
My heart is and my door's always open
You anytime you want, yeah

I don't mind spending day
Out on your corner, in the pouring
Look for the with the broken smile
Ask her if she to stay a while

And she will be loved (repeat 4 times)

It's	Goodbye	queen
Window (x2)	that	some
Many	every(x3)	know
Beautiful(x2)	always	
Doesn't	who	girl(x3)
Full	door	wants(x3)
Come	rain(x3)	

I where you hide, alone in your car
Know all of the things that make you you are
I know that means nothing at all
Comes back and begs me to catch her every time she falls
Yeah

I want to make you feel

I don't mind spending day
Out on your corner, in the pouring, oh
Look for the with the broken smile
Ask her if she to stay a while

And she will be loved
And she will be loved
And she will be loved (please, don't try so hard)
And she will be loved (to say goodbye)
