Hello! I'm Peppa Pig. Come to the carnival!

The carnival in my school is one of the biggest festivals. It's on February.

There is a parade with different costumes. There is music in the school all day.

All my friends are wearing different costumes.

My friend John is a cowboy and my teacher is a robot. My favourite costume is a dancer. I'm a big green dinosaur.

This is my favourite day and I enjoy a lot!

Select the correct option.
