"Don't Want It To Be Over"
(feat. Coco O)

Even though it hurts so bad
I still think that you're the best I've had
Though it's killing me inside
Ain't gon' try to hide from you
And those things you do

I can't stop thinking 'bout your smile
I guess forever always takes a while
I can keep it all inside
And I could be calling out your name
Can you hear me say?

I don't want it to be over
I don't want it to be over, I
I don't want it to be over
But I've got to stop and get over you

Baby, I still see your things around
But I can't bear to throw them out
Oh, hanging onto just the thought of you is hard to do
Missing you, girl

I don't want it to be over
I don't want it to be over, I
I don't want it to be over
But I've got to stop and get over you (you, you)
I don't want it to be over
So soon (so soon)
With you (without you, baby)

Make it last forever
Let's not waste our time
Tell me girl, tell me girl
Make it last forever
Let's not waste our time
Tell me boy, tell me boy
Make it last forever
Always thought we'd be together
Oh, oh yeah

I don't want it to be over
Don't want it to be over, I
I don't want it to be over
But I got to stop and get over you, ay
I don't want it to be over
I don't want it to be over, no
I don't want it to be over
But I got to stop and get over you (you, you, you)
I don't want it to be over
I don't want it to be over, no
I don't want it to be over
But I got to stop and get over you

I don't want it to be over, no
