02 MY TRIP TO JAPAN

My name is Sucipto, I want to tell you about my holiday. Last month, I and my family went to Japan for a holiday. We stayed in Japan for 4 days. We left Indonesia at 2 am. I couldn't the view cause it was dark so it made me kinda sad. But the flight was so smooth and I enjoyed it.

We arrived at Tokyo International Airport in Tokyo at 9 am. My dad quickly ordered a taxi to get to the hotel. Soon after we checked in for the hotel, we went out to some tourist spots. All of us were asleep on the flight, so we didn't need to take a rest in the hotel.

On the first day, we went to Sensoji Temple. It was amazing how authentic it is. I could feel the energy of Japan around the area.

On the second day, we went to visit the Mount Takao. It's not the biggest mountain yet it's one of the most visited mountains in Japan. We went to the mountain by train for about 1.5 hours from Tokyo. It's amazing how great the view is from the top.

On the next day, we went to visit the Tokyo Tower, it surprised me that I can see a lot of big buildings from there. My brother was kinda scared at first yet he enjoyed it at last.

Finally, on the last day, we went to Akibahara to buy some souvenirs. I bought some anime figures. My brother bought some anime figures as well, which is Gundam. My mom and dad bought some clothes for their friends. Then we finally went to the Airport to go back to Indonesia. We arrived in Indonesia at 10 pm. Soon after we got home, we all went to sleep cause we were tired. It was an amazing experience and I hope I can go to Japan again.
