Blue Bonanza

In the classroom, we see many colors. One of my favorite colors is blue. It's the color of the sky on a sunny day. When we hear a loud noise, we can clap our hands. It makes a happy sound. Let's raise the blue flag and clap together!

Plans, Flags, and Slippery Bananas!

I have a plan for today. I will clean my room and make it spotless. On the floor, there's a flag from my last adventure. I pick it up and hold it high. I feel glad and proud. As I clean, I accidentally slip on a banana peel. Oops! Don't worry, I didn't get hurt. I'll be more careful next time!

Blouse Blues

At the park, we have fun playing and exploring. My friend wears a blue blouse, and I wear a red shirt. In the distance, we see a glass globe. It sparkles in the sunlight. We bring our lunch on a plate and sit on the grass. We slide down the hill on a sled and giggle with joy. It's a wonderful day!
