4 Major Spheres of the Earth

Science

Level: Lower School SP 5th Grade

Part 1: The prefixes of the 4 spheres come from the Greek language and change the meaning of the base word sphere. What do each of the prefixes mean? Draw a line from the prefix to its meaning.

GEO	LIFE
ATMO	WATER
HYDRO	LAND
BIO	AIR

Part 2: Read the questions and choose the correct answer:

a. Which of the Earth's spheres contains rocks and sediments?

b. Which of Earth's spheres includes water?

c. What is the atmosphere made up of?

d. Which of these is part of the biosphere?
