1. Read the following text and complete the sentences:

Holidays in Thailand

On my next holiday, I'm going to Thailand. I'm going to buy my plane tickets tomorrow.

I'm pretty sure I'm going to fly into Bangkok on the 5th of April, and I'm going to stay in a hotel in the city center. I'm going to visit all the important sights, and I'm going to spend some time at the beach.

I love Thai food, so I'm going to eat a lot of delicious noodles and more.

After two weeks, on the 19th of April, I'm going to fly home. It's going to be an exciting trip!
