David Beckham is one of legendary football player in the world. He is one of the richest football player in his era with the salary of 3.4 million GBP (2013). He announced his retirement on May 16th 2013. He was born in London, England on May 2nd 1975. He is 42 years old by now. This british athlete is the son of Mr. David Edward Alan Beckham and Mrs. Sandra Georgina West. I think he is a very kind person, because he has a programme with UNICEF called "7" which help to protect the world's most vulnerable children.

During his 20-year career in football, he used to play for several football club such as Tottenham Hotspur, Manchester United, Real Madrid and L.A Galaxy. Most of the time he played as a midfielder or a right winger. Some of his achievements and record are: Runner up Ballon d'Or (1999), Silver Award FIFA world player of the year (1999), Goals of the Decade (Manchester United vs Wimbledon – 1996).

David Beckham has 40 tattoos on his athletic body. Some of the tattoos are the name of his sons and wife. I think he has a very healthy life, because not only he keep doing exercise everyday, he also does not like to smoke cigarette. His height is 183 centimeters and his weight is 74 kilogram. He has fair skin and square face with beard all over his cheek and chin. His hair is straight and the color is dark blond. This appearance along with his downturned and green eyes make him look handsome and masculine.
