Country Walks

A **Lime House and Country Park**
The house attracts thousands of visitors, but this is a pleasant walk (for the fit!) away from the crowds, through parkland, woods and up onto the hills. Popular with bird-watchers. Allow three hours. The house was built in 1570. Gardens closed to the public; information centre, café and souvenir shop open daily.

B **Howden Lake**
This two-hour walk attracts thousands of visitors. When the water is low, you can see a village which was flooded 300 years ago. Quiet café with beautiful views. Children can go sailing and windsurfing on the lake with trained instructors.

C **Devonshire Park**
Take a really enjoyable walk in the countryside surrounding the park. Allow at least half a day, or make it a full day by visiting the adventure playground and farmyard (both great for young children). Stop at the café (open all day) or enjoy the fantastic gardens, with beautiful fountains. Guided walks available for small groups.

D **Stanton**
This walk is definitely for very fit walkers only – the tracks get very slippery after rain. Allow six hours and start early! You're unlikely to meet another person all day. Fantastic views of farmland in the valleys below. Be sure to pack sandwiches – you'll be up on the hilltops all day.

E **Hope Village**
A leisurely way to spend an hour or two is by visiting the busy village of Hope with its lovely old cottages, traditional pubs and country gardens. A gentle walk towards the hills will soon bring you to superb views.

F **Strines**
You need to be used to walking to successfully complete this seven-hour walk through the wildest scenery in the area. Follow a little-known footpath to the highest point for miles. The traditional pub down in the village serves hot food from 12.00 daily.

G **Cornford**
This is an easy walk through a little-known valley beside clear streams with woodland flowers, birds and animals. See the 200-year-old buildings from the cloth-making industry which now stand empty. Private tours can be arranged. Allow half a day for the walk.

H **Langsett**
After a steep climb, this is an exciting walk along easy paths, which are crowded at weekends (people come from all over Britain to climb Langsett). The views are dramatic, and it's a popular place for family picnics. Guided walks start from the nearby village (10 am Sundays) and visit 800-year-old woodland and ruins dating back two thousand years.
